Brainstorm & Idea Prioritization Template:

Brainstorming provides a free and open environment that encourages everyone within a team to participate in the creative thinking process that leads to problem solving. Prioritizing volume over value, out-of-the-box ideas are welcome and built upon, and all participants are encouraged to collaborate, helping each other develop a rich amount of creative solutions.

Step-1: Team Gathering, Collaboration and Select the Problem Statement

Template

Brainstorm & idea prioritization

1

Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

🕒 5 minutes

HOW MIGHT WE HELP JOB SEEKERS SEARCH FOR JOB VACANCIES

How might we make the hiring procedure easier to select the best candidates for the job?
How might we make the job search customized?

How might we manage a large number of users simultaneously and effectively?
How might we provide a proper platform for recruiters to display job openings?

Step-2: Brainstorm, Idea Listing and Grouping

2

Brainstorm

Write down any ideas that come to mind that address your problem statement.

10 minutes

TIP
You can add to sketch

SURYA PRAKASH K

- We can develop job website with various web pages, this will make the website more efficient and useful to job seekers.
- We need help the job seekers to develop proper resume which will help him to crack any interviews/jobs
